OBJECTIVES:

Data-Fest 2024 aims to:

Promote Data Literacy: Enhance understanding and skills in data science among participants.

Directly Engage Data Producers with Data Users: Facilitate interactions to bridge the gap between data creators and users.

Showcase Benefits of Data Integrations and Sharing: Highlight how data amalgamation can generate holistic insights for informed decision-making.

Create a Marketplace for Data Exchange: Foster an environment where data can be traded, accessed, and utilized effectively.

Promote Data-Driven Innovation: Encourage new ideas and solutions through panel discussions featuring through leaders.

Foster Data Literacy and Visualization Skills: Provide training on data analysis and visualization to empower participants.

THE EVENT WILL INCLUDE:
